

TURN WINE

INTO FOOD

GOOD KARMA

Red Tail Ridge Winery is proud to present our charity wine, Good Karma, in support of Foodlink's mission to end hunger in our community. A portion of the proceeds from our Good Karma wine go directly to supporting this worthy cause.

“Community support is a key principal of sustainability. Good Karma is our way of contributing to our local foodbank and supporting our community as local sustainable farmers.” —Nancy Irelan, winemaker and co-owner

RED TAIL RIDGE WINERY

Red Tail Ridge Winery is located on the western shore of Seneca Lake—in the heart of New York State's Finger Lakes region—and we are devoted to producing premium dry wines.

At Red Tail Ridge Winery, we utilize sustainable farming practices and have recently finished construction of our LEED® green winery that is estimated to save us over 40% in energy consumption. We have recently released our new community charity wine—Good Karma—in support of Foodlink.

FOODLINK

Founded in 1978, Foodlink is a regional food bank that serves a 10-county area in the Genesee Valley and Finger Lakes Region of Upstate New York. Locally, Foodlink rescues and redistributes over 11 million pounds of food annually to approximately 450 programs and agencies. Since its founding, Foodlink has distributed 180 million pounds of food that translates into \$150 million worth of resources for our community.

Foodlink's vision is to end hunger, build self-sufficiency, and foster nutritional wellness. We pursue this vision through an innovative network of initiatives, including anti-hunger, child nutrition, culinary and agricultural programs.
