

First Gold LEED Certified green winery in New York
James Beard Nominated 2019 & 2020

Perpétuelle Change, Cuvée N° 4 RTR Estate Vineyard

Harvest Notes:

A Blend of the 2019-2022 Vintages, together they reflect the combined terroir of Red Tail Ridge across time. 2019 was a cool growing season, which led to harvest beginning 10-days later than usual, in mid-September. 2020 had moderate temperature and rainfall throughout the growing season and into harvest made this year relatively straightforward, as opposed to previous vintages. 2021 was cold & wet throughout the year, proving difficult from start to finish. It was a true test of strength, fortitude, and knowledge...with the emphasis on knowledge. 2022 had a beautiful growing season with a solid harvest, low yields, but excellent fruit.

Appellation: Finger Lakes AVA
Soil Type(s): Glacial Till, Siltstone
Vines Planted: 2005-2019
Harvest Date: Non-Vintage
Initial Tirage: July 2023
Sweetness: Brut Nature
ABV: 12%
Cases Produced: 240

Tasting Notes:

Aromatics of lime peel, dried shiitake, honeysuckle & hibiscus. Tiny, vibrant bubbles with complex tart cherry, french bread, spices, and salt toffee on the palate.
